MEMBER'S CORRESPONDENCE

912 Racine Street,
Jefferson, Wisconsin.
May 5, 1927.

Mr. Fremont Schunk,
Secretary, M.R.A.C.,
Milwaukee, Wisconsin.

Dear Sir,

Enclosed find my remittance for one year's non-resident membership in the MRAC. As I am able to attend four or five meetings of the club each year besides its parties and picnics I certainly feel that I want to be"at home" when I attend these get-together. As a member I know I will feel that way. My last membership certificate was signed by the past secretary, Mr. J. M. Meyers, on May 3, 1926, and I am a member until ~~May~~ April 31, 1927, under that certificate.

Sure, will see you at the QSO Party on the night of May 28. 9DLQ, 9EMD, 9BJW, and 9BIB also expect to be present. 9EBO of Burlington was here yesterday and I told him to be sure to go. He said he and 9CLT had previously intended to go up to a MRAC meeting some time this Spring so I told him they should be sure to attend the QSO Party instead. That is about all for now and I must QRT so GB.

Respectfully,

Joseph Kemmeter
